THANK YOU NOTE

Dear Parents and Guardians,

As we approach the end of another academic year, we find ourselves reflecting on the journey we've embarked on together and the incredible growth and success we've achieved as a school community.

First and foremost, we want to extend our heartfelt gratitude to each and every one of you for your unwavering support throughout the year. Your commitment to your children's education and your active involvement in our school activities is instrumental in creating a nurturing and enriching environment for our students to thrive.

Together, we've witnessed countless achievements, both big and small, from academic milestones to personal triumphs. Whether it was attending Parents Teachers meetings, merit the result days or your personal calls and feedback, your suggestions and your dedication has not gone unnoticed.

On behalf of the entire school administration, we want to express our deepest appreciation for your continued support and partnership. Thank you for entrusting us with the education and well-being of your children and thank you for being such valued members of our school community.

We look forward to the productive partnership between home and school in the year ahead.

RESULT DAY

The final results of the academic year 2081 will be on Thursday, 3rd April, 2025 (Chaitra 21, 2081) between 9:00 am to 12 noon. We kindly request the parents/guardians to come, collect the results, and communicate with the teachers about the child's performances. However, Class 8 and 10 parents need not come since they have other exams schedules (National Board Exams). Hostellers are requested to take all their belongings on the result day as we need to do a lot of repair and maintenance during the break. **All the dues through Chaitra 2081 must be cleared in order to receive your child's results.** Children are also requested to return all library books.

WITHDRAWAL

It is my sincere hope that no student will feel the need to leave our school at the end of this session. Our doors are always open, and we are here to address any concerns or difficulties that students may face. We believe in providing a nurturing and inclusive environment where every individual can thrive and reach their full potential.

I urge all parents and guardians to have open communication with us if there are any issues or uncertainties regarding their child's education. Together, we can work towards finding solutions and ensuring that every student feels valued, supported, and empowered to succeed.

However, if you are going to withdraw your child for some specific reasons, please inform us by Chaitra 21, 2081. If you have any queries, please let us know either by email (kuhs@ku.edu.np) or a phone call. You can even talk directly with the Principal or the Vice-Principal.

REGISTRATION

We are pleased to inform you that the school does not charge any annual fees once the student is admitted. However, we kindly request you to deposit the monthly fee for Baishak as confirmation that your child is continuing the school.

As part of our commitment to providing quality education and maintaining high standards in academics, infrastructure, and overall student development, we periodically review our fee structure. There may be a necessary revision in the school fees for the upcoming academic session. This will be decided by the management committee. We assure you that any revision will be communicated well in advance. We also wish to inform you that there was no increment in school fees last year.

NEW ACADEMIC SESSION 2082

The new academic session begins on Tuesday, Baishak 9, 2082. We expect all the students to arrive at school with a complete set of their belongings. The hostellers have to arrive in their respective hostels on 8th Baishakh between 3:00 pm to 5:00 pm. There will be no bus services available for hostellers on 9th Baishakh, 2082.

KUHS UNIFORMS

All the hostel and day students must come with a complete set of uniforms. We would also like to request that you stitch the registration number of your child into uniforms permanently. If students fail to come with a complete set of uniforms, they will not be allowed to stay in the hostel. Please do not send winter clothes right now. The uniforms are available at Kewal's Uniform, New Road, Kathmandu (01 – 4259121) and Sampurna Uniform House, Banepa (011 – 661072).
