# MESSAGE FROM THE CHAIRMAN

Welcome to United Universal School, a co-educational day and boarding institution with transportation facilities. Formerly known as Aster Academy, the school was renamed and relocated from Imadol to Satdobato, almost a decade ago. United Universal is proud to be part of the United Academy Group (UAG) and stands out as a boutique school.

At United Universal School, we are committed to providing exceptional, academically rigorous programs with a strong emphasis on scholarship. Our curriculum is designed to ensure that every student achieves outstanding results. To cater to the diverse needs of our students, our skilled teachers utilize personalized, learner-centred approaches and innovative teaching techniques. Many of our SEE students excel in their higher education, often becoming top achievers at Tribhuvan University and beyond.

However, education at United Universal goes beyond just achieving results. We cultivate a passion for learning for its own sake and foster a genuine desire for knowledge. We aim to nurture curious, disciplined, kind and informed individuals who are prepared to build successful careers and enhance their lives as well as those of their families. We strive to develop responsible and compassionate citizens who will take on transformative roles in their communities and contribute meaningfully to society.

In conclusion, we acknowledge our achievements, embrace our commitments for the future, and honour every promise we make.

**Drip Chamling**  
Founder Chairman

# MESSAGE FROM THE FOUNDER DIRECTOR

At United Universal, we are committed to creating an environment where students can learn, grow, and excel in every aspect of their education. Our infrastructure, featuring well equipped classrooms, advanced laboratories, and expansive sports facilities, provides the perfect foundation for a well-rounded learning experience.

We take pride in our strong academic programs, where discipline and excellence go hand in hand. Our dedicated teachers are passionate about inspiring curiosity, critical thinking, and a love for learning, ensuring that every student has the support and encouragement to reach their full potential.

Beyond academics, we encourage our students to explore their talents and

passions through a variety of extra-curricular activities. Our students have consistently demonstrated excellence in sports, arts, and cultural events, earning regional awards and bringing recognition to our school. These achievements reflect our commitment to fostering skills beyond the classroom.

Finally, we strive to build a dynamic and disciplined learning community, where every child is encouraged to explore, achieve, and lead. We look forward to being part of your child's journey toward success.

**Nara Hang Rai**  
Founder Director

# MESSAGE FROM THE ACADEMIC DIRECTOR

Since United Universal School became part of United Academy Group (UAG) almost a decade ago, we have witnessed remarkable growth and transformation. With each year, it is a privilege to see our students evolve—not only in their grades and academic achievements but in their character, confidence, and resilience. As the African proverb wisely says, “It takes a village to raise a child,” and at United Universal, this village is comprised of dedicated teachers, supportive parents, and an entire community that fosters growth and development.

Over the years, our students have accomplished incredible achievements, excelling in academics, extracurricular activities, nationwide competitions, and beyond. Their success is a testament to their hard work, the unwavering support of our educators, and the opportunities provided by our institution. We remain deeply committed to nurturing even greater achievements by continuously enhancing our students’ learning environment, providing rigorous training, fostering a culture of curiosity and innovation, and equipping them with the resources and mentorship they need to thrive.

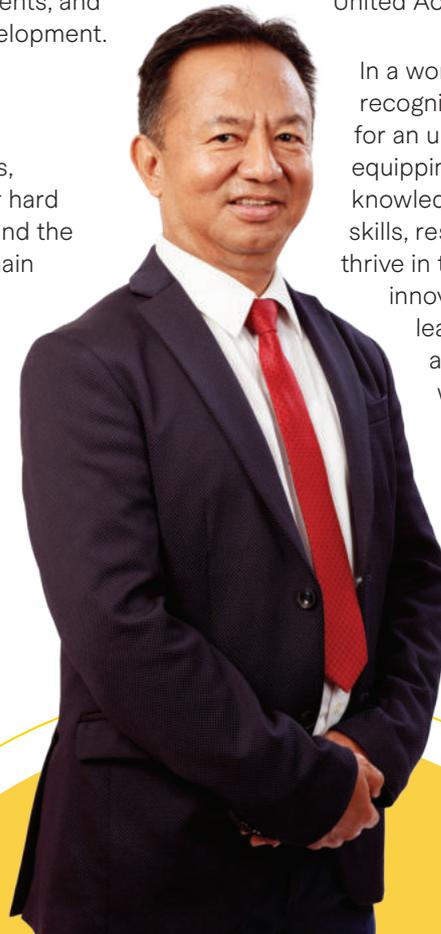

United Universal has evolved into more than just an educational institution—it has become a thriving village built on shared aspirations, mutual support, and collective progress. Every student

that enters our gates carries with them the hopes and dreams of their family and the unwavering commitment of their teachers. Each achievement, no matter the size, is a testament to the strength and unity of this collective effort. We firmly believe that as our students grow, so does our entire village, and by embracing this mindset, we continue to reinforce the foundation of United Academy Group.

In a world that is rapidly changing—we recognize the need to prepare our students for an uncertain future. We are committed to equipping them with more than just academic knowledge; we aim to provide them with the skills, resilience, and mindset necessary to thrive in this ever-evolving world. By embracing innovative pedagogies, introducing new learning materials, and adapting our approach to education, we are shaping well-rounded, globally aware individuals ready to meet the challenges ahead.

The journey continues, and we are excited for what lies ahead—  
together.

**Dr. Kabi Raj Bantawa**  
Academic Director

# MESSAGE FROM THE PRINCIPAL

I warmly welcome you to our school community. As the principal of United Universal School (UUS), I am honoured to be part of such a vibrant and dedicated community. Our school is not just a place for academic learning; it is a nurturing environment where curiosity is sparked, talents are developed, and lifelong friendships are formed.

We believe that learning goes beyond merely acquiring facts; it involves developing a passion for knowledge that lasts a lifetime. We focus on fostering curiosity and character, allowing students to reach their full potential. Our holistic approach blends challenging academics with innovative teaching methods, ensuring that every student can grow intellectually and emotionally. We also emphasize the importance of co-curricular and extracurricular activities to promote a balanced personality and personal growth.

At UUS, we are fortunate to have a caring and experienced team of teachers who are dedicated to shaping young minds. Our teachers invest time and effort into building personal relationships with their students and instilling values such as honesty, resilience, and awareness of the global community. We maintain an uplifting and respectful learning environment where every student feels valued, cared for, and encouraged to achieve their highest potential.

We firmly believe in building effective partnerships with parents and the community, recognizing that education is a shared journey. Through a consensus of purpose, we equip our students for success by providing them with the skills, knowledge, and values they need to navigate a rapidly changing world.

**Rakesh Shrestha**  
Principal

# WELCOME TO OUR SCHOOL

United Universal School (UUS), located in Satdobato, Lalitpur, is dedicated to providing exceptional education for students from Grade 1 to Grade 10. Established by a team of experienced educators, academicians, professors, and entrepreneurs, our primary objective is to ensure the holistic development of our students, encompassing their physical, mental, moral, and spiritual growth.

Originally founded as Aster Academy in 1982, UUS operates as a co-educational, English-medium secondary school. In 2015, the United Academy Group (UAG) facilitated the accreditation of this institution. Since then, we are the members of this large educational network that includes United School, United Academy, United College, United Pre-School, and United Technical School.

At UUS, we foster a constructive learning environment that empowers every student to achieve their academic aspirations. Our focus is on delivering quality, career-oriented education throughout the primary and secondary education stages.

We are committed to equipping our students to meet the global challenges of the 21st Century. In addition to promoting academic excellence, we strongly emphasize instilling moral and cultural values within a nurturing and supportive learning atmosphere. UUS is resolute in its commitment to the holistic development of our students, preparing them to become physically fit, mentally resilient, morally upright, and spiritually sound individuals.

## MISSION

Our mission is to engage with students in the advancement of scholarly inquiry. We cultivate critical thinking while generating knowledge.

## VISION

Our vision is to prioritize academic excellence in students and help them to become the role model for the community needs.

## VALUES

Our Value is to treat everyone with tolerance, acceptance and understanding, to take ownership for our actions, to help people in need and accepting different opinions, cultures, religions and languages.

UNITED  
UNIVERSAL SCHOOL

# OUR TEACHING METHODS

## OUR STUDENTS

Our students are truly the heart of our school community. Their curiosity, creativity, and ambition shine brightly as they inspire one another. In this supportive environment, they not only strive for excellence but also work together to foster collaboration in the classroom. Facing challenges as a unified group, they celebrate each other's successes and grow into caring leaders. Their journey is about becoming responsible collaborators who genuinely want to make a positive impact on the lives of others and our environment. Together, they are creating a brighter future for all.

### STUDENT-TEACHER CONNECTION

At our school, we prioritize strong relationships between students and teachers, fostering an environment of respect, trust, and open communication. Our teachers are dedicated mentors, committed to helping each student achieve their fullest potential. Together, we create a community where learning is an empowering journey, enabling students to excel academically and personally.

### PARENT-SCHOOL COMMUNICATION

We believe that an empowering communication between parents and the school is vital for fostering a thriving learning environment. Our commitment to open communication, collaboration, and mutual respect allows us to work hand in hand to nurture each child's growth, well-being, and academic success. By joining forces with us, you play an essential role in shaping a bright and promising future for your child. Together, we can cultivate a vibrant community where every student not only excels but truly thrives.

# EDUCATION AND LEARNING

## PRE-PRIMARY SCHOOL PROGRAMME

Our Pre-Primary School Programme embraces an innovative approach to education with its Activity-Based Curriculum, which follows a thematic teaching method. This approach promotes active, hands-on learning, counteracting the passivity often found in traditional educational models. Through play stations, audio-visual classes, and library sessions, children are encouraged to explore and grow in a dynamic environment. Additionally, outdoor visits are integrated into the curriculum to expose children to a wide range of experiences. A notable feature of our preschool is a fully furnished Nepali House, built on the premises to give urban children a glimpse into traditional rural homes found in the hills of Nepal.

### PRIMARY SCHOOL PROGRAMME

Our Primary School Programme is designed with care to provide young students with a nurturing and supportive learning environment. We emphasize the development of core competencies in reading, mathematics, and problem-solving abilities to provide students with a strong foundation for future success. Teachers create challenging lessons that generate interest and encourage questioning, which leads to an early enthusiasm for discovery.

### SECONDARY SCHOOL PROGRAMME

Our Secondary School Programme has a stimulating and well-rounded curriculum that tests each student to his or her best. We aim to hold high standards of academic excellence along with personal development. Students may choose from various subjects that serve their interests and future careers and enhance problem-solving and critical-thinking abilities. We also offer extracurricular activities, including sports, arts, and community service, to allow students to gain leadership skills and social competencies.

# LEARNING APPROACH

UUS embraces teaching methods, such as discussions and demonstrations, to create a dynamic learning environment. This approach focuses on facilitative teaching, which fosters experiential learning and encourages student engagement. By allowing students to take an active role in their education, the teacher effectively guides them toward success. Students are inspired to tackle challenges independently, promoting critical thinking and creativity as they explore solutions.

## PROJECT-BASED LEARNING

Project-Based Learning (PBL) is a teaching method that helps students address real-world problems through hands-on projects. Students work together on tasks that need critical thinking, problem-solving, and creativity. This approach helps them build important skills like communication, teamwork, and independent research. PBL encourages active participation and connects learning to real-life situations, making education more engaging. We use Project-Based Learning to spark curiosity, deepen understanding, and foster a love for lifelong learning.

## COMMUNAL INVOLVEMENTS

We need to support our community and contribute to its well-being. We teach our students to be responsible citizens. Our community activities include helping people affected by natural disasters, keeping our surroundings clean, and supporting old citizens affected by age or diseases, protecting our heritage and individuals' rights.

## GUEST LECTURES

Students should learn from industry experts. These interactions help them understand the skills that different jobs require. Our school regularly invites well-known professionals from various fields as guest lecturers.

### STUDENTS AS PROFESSORS

At our school, we empower students by allowing them to take on leadership roles and share their knowledge with classmates. In the "Students as Professors" program, students can lead classes, workshops, and discussions on topics they care about. This experience helps them improve their public speaking and teaching skills while deepening their understanding of the material. It encourages collaboration among students and builds a culture of respect and learning.

### COOPERATIVE LEARNING

We believe that collaboration among students is essential. Cooperative learning uses small groups to help students enhance their learning together. This includes activities like discussions, class assignments, projects, and exercises. By engaging with different perspectives, students learn to understand opposing viewpoints and avoid generalizations about others. The main goal of cooperative learning is to help students understand how society functions. These skills are crucial in college, the workplace, and daily life.

### CO-CURRICULAR ACTIVITIES

At United Universal, students must take part in a variety of co-curricular classroom classes and competitions. These enhance and complement classroom education. There are over 50 events and competitions every year that students can participate in. Taking part in co-curricular activities on classroom topics helps to elucidate and entrench theoretical information on a more profound level. Whereas the classroom is primarily interested in intellectual growth, co-curricular activities assist in aesthetic growth, character building, spiritual growth, physical growth, moral values, and creativity.

### **SUPPLEMENTARY CLASSES**

Our after-school classes offer one-on-one academic support to help students reach their full potential. Qualified teachers lead classes in key subjects like Mathematics, English, and Science. You can choose the schedule that works best for your child. Whether they need to catch up or want to advance, our classes provide a supportive environment to build confidence and improve learning.

# FACILITIES AND SERVICES

- **Boarding Accommodation:** Our school hostel accommodation service offers comfortable, safe, and affordable lodging for prospective students. Located within the school premises, our facilities include clean dorm rooms, 24/7 security, hygienic food, and recreational spaces.
- **Infirmary Gesture:** The school infirmary provides essential health services to students, including first aid, minor illness care, and health consultations. Staffed by trained medical professionals, it ensures a safe and

supportive environment, promoting student well-being. The infirmary is committed to fostering a healthy school community.

- **Canteen:** We offer a variety of delicious, healthy, and affordable meals and snacks to keep students energized and ready to learn. With balanced nutrition, friendly staff, and a welcoming environment, our canteen is the perfect place for students to enjoy their meals and socialize.

- **Transportation:** We deliver safe, reliable, and efficient transportation for students, guaranteeing timely pick-ups and drop-offs from three cities Bhaktapur, Lalitpur, and Kathmandu.
- Inclusive and Supportive Environment
- We are committed to creating an inclusive school community where every student feels valued and supported. Our support services include:
- **Psychosocial Behavioural Counseling:** Emotional support and career guidance for students.
- **Learning Support:** Assistance for students with special needs or learning difficulties.
- **Parent Engagement:** Regular communication through parent-teacher meetings and events.

#### State-of-the-Art Facilities

- Our school is equipped with modern facilities designed to support academic and extracurricular activities:

- Science Laboratories with cutting-edge equipment for hands-on experimentation
- Computer Labs with the latest technology for coding and digital learning
- Library with a vast collection of books, e-books, and journals
- Sports Complex like futsal courts and basketball courts
- Arts Studios for visual arts, music, and performing arts

# FIELD TRIPS, EXCURSIONS, AND TOURS

It is our firm belief that students achieve a deeper understanding through experiential learning rather than solely through theoretical study. To facilitate practical learning experiences, we organize excursions to sites of archaeological, historical, geographical, and developmental significance in and around Kathmandu. Students in secondary levels are provided with opportunities to travel to various regions of the country, thereby broadening their perspectives and exposing them to a diverse array of cultures and lifestyles.

**Field Trips:** Local visits to museums, nature reserves, historical sites, and cultural landmarks.

**Excursions:** Off-site day trips that provide immersive learning experiences in relevant academic fields.

**Educational Tours:** Longer trips that may include overnight stays, offering students the opportunity to explore new environments and engage with diverse cultures.

# EXTRA-CURRICULAR ACTIVITY (ECA) CLUBS & OVERVIEW

We encourage the spirit of friendly competition and camaraderie through our ECA activities. We are dedicated to giving our students an active and vibrant lifestyle, and we achieve this by having a diverse array of activities that are accessible to all. Our club activities include table tennis, basketball, football, volleyball, cricket, karate, taekwondo, badminton, music (guitar and vocal), dance, and drama allowing children to experience a variety of physical, mental and social activities.

Our experienced coaches are committed to providing regular training sessions and coaching programs that focus on enhancing students' physical fitness while developing essential skills in teamwork and sportsmanship. These activities not only enhance sporting abilities but also assist in developing individuals and teamwork.

# ACHIEVEMENTS

- Students from Classes 6 to 9 secured the Winner title in the 3rd Ganesh PD. Rijal Smriti Gayan Pratiyogita 2080, held at Timeline School, Kathmandu.
- Sneha Adhikari from Class 7 won the title of Winner in the Little Nationality Star 2081, organized by Yala Entertainment at Rastriya Nachghar, Jamal.
- Aayushma Rai from Class 6 won a Gold Medal in the IWEN Karate Championship 2081, organized by the IWEN Karate DO Association.
- United Universal School secured the 1st Position - Best Play Award for the play "Padhna Ta Man Lagchha" at the 16th National Children's Theatre Festival, organized by Sailee Theatre.
- Anugya Upadhya from Grade 4 achieved first place overall, while Ashlesha Adhikari secured second place in Grade 7 in The Public Speaking League 2025 – Nepal Chapter, organized by The Learnify Camp in collaboration with Deli Nepal.
- Our talented Grade 7 student, Ashlesha Adhikari, represented UUS in Beijing and Tianjin, China (Sept 16–27, 2025) after winning the Chinese Bridge Competition.
