Message From The Chairperson

Welcome to the D.A.V. hostel. A place where you will go on a journey of discovery and revelations of your true potential and innate talent. The importance of hostel is even revealed by the Hindu mythology where Lord Rama, Lord Krishna and many other great characters of Vedic period were educated and brought up.

In today's world of rush and fierce competition we present ourselves as guardian who nurture each and every child to be compassionate, responsible, disciplined and patriotic citizen. We inculcate social and community awareness to make them understand team spirit and instil in them the proactive humanity which is lacking in today's artificial world.

Beside conceptual mastery of curriculum we imbibe creativity, imagination and analytical thinking process which is key to success for every child.

At D.A.V. hostel we create an environment conducive to the integrated development of mind and body, heart and soul according to the psychological needs of every individual child. We foster the traditional ideas and values, culture and spirituality while inculcating a global outlook.

Education is a meaningless ritual unless it can mould the character of students and give them the values of life. Hence, we, at D.A.V. hostel welcome you to experience the journey with us.
