Circular No. Skill-122/2023

**Heads of all the Institutions  
affiliated to CBSE Subject:**

### **Subject: Implementation of PMKVY 4.0 in CBSE affiliated Schools under Skill Hub Initiative**

The National Education Policy (NEP) 2020 of India has emphasized the need for promoting skill development in schools to ensure that students are prepared for the challenges of the 21<sup>st</sup> century knowledge economy. The policy recognizes the importance of skilling in schools and aims to incorporate vocational (skill) education and training programs into the school curriculum. The promotion of skilling in schools is expected to provide students with the necessary skills and knowledge to succeed in their chosen careers and contribute to the country's economic growth.

The Ministry of Skill Development and Entrepreneurship (MSDE) has been implementing PMKVY since 2015 to create an industry ready workforce and enhance the employability skills. The scheme targets schools/college drop outs, out-of-school children and unemployed youths in the age group of 15-45 years. Under the scheme the targeted groups are offered demand driven and industry-linked skilling courses that will enable them to choose a career path aligned with their abilities and aspirations. It has been envisaged to leverage the existing infrastructure of schools after the school hours or on non-working days as 'Skill Hub' for imparting Skill Education and Training. In the year 2021-22, CBSE has introduced and implemented 'Skill Hub' under PMKVY 3.0 in selected schools on the pilot basis.

Now, Government of India has announced the launching of PMKVY 4.0 in the Union Budget 2023. It aims to leverage the leanings from the implementation of SHI under PMKVY 3.0. More information on PMKVY schemes can be assessed at [www.pmkvyofficial.org](http://www.pmkvyofficial.org) with guidelines of previous versions of PMKVY. SOP for on-boarding of Educational Institutions for training under PMKVY 4.0 as a Skill Hub is attached herewith for your reference (Ann. B).

**All schools affiliated with CBSE (Private or Government), especially those which are offering Skill subjects in their schools are encouraged to start Skill Hub in their premises as per given guidelines and norms.**

A Brief Note on Implementation of PMKVY 4.0 is annexed herewith which covers some key highlights in terms of scheme contours, course offerings, job roles, selection of candidates, pre-requisites for skill training, financial provision and other implementation modalities. (Ann. A)

### **STEP 11: Assessment & Certification of Candidate**

- Post completion of training of a batch ( as per the end date on SIP), the assessment will be conducted by the respective awarding body on the date of assessment selected by the institute on the Skill India Portal.
- Assessment will be conducted by a third-party affiliated assessment agency who will depute an assessor to conduct the assessment of the candidates at the training centre.
- On Completion of assessment, results of the assessment will be uploaded on the Skill India Portal by the Awarding Body. Institutes will be able to view the results of the candidates through the TC Id.
- Once the results are approved by the awarding body on SIP, Institutes will be able to view/download the marksheets and certificates of the candidates by clicking on the “Candidate Marksheets” section available in the TC Id.

The screenshot shows the Skill India Portal interface. At the top, there is a navigation bar with links for Dashboard, Rozgar Mela, My Schemes, My Staff, My Candidates, and Candidate Marksheets. On the right side of the header, there is a user profile icon labeled "TC185069". Below the header, the page title is "Candidate Marksheets". There are two dropdown menus: "Batch Id \*" and "Candidate Id", both currently set to "All". Next to them are "Search" and "Reset" buttons. At the bottom of the page, there is a table header row with columns labeled: Sr. No., Candidate ID, Candidate Name, Batch Name, Job Roles, Attendance, Result, Marksheets, Certificate, and Action.

Tranche -2	30%	<p><b>Mid Training:</b> For Candidates who meet 70% attendance on AEBAS.</p> <p>PIAs may raise the T-2 invoices against batches where training of 50% of the total QP hours has been completed, against the candidates who have achieved 70% of attendance.</p> <p><i>(Example for a Course duration of 300 Hrs, T-2 invoice can be raised on completion of 150 Hrs. of training.
